BAHC—WMJR Concours and Back Country Tour *Park City, July 30-31*

This year's Classic Car Show sponsored by the Bonneville Austin Healey Club (BAHC) and Wasatch Mountain Jaguar Register (WMJR) was held Saturday, July 20, 2011 in Park City under sunny skies with approximately 40 beautiful cars for all to enjoy.

There was a great turnout of spectators who came out to enjoy all of the classic automobiles. WMJR was represented with eight cars from our club. Those who displayed their Jags were J. and Kay Jennings, Mike and Susie Cady, Gary Lindstrom, Joe Todd, Art Pasker, Jim and Hermoine Klekas, Dan and Judy Schweikert and new members Richard and Janet Patterson. Other members including John and Liz Green, Ken and Joann Borg, Duane and Leeann Allred were also present to support the

car show.

We also were happy to see Roland and Sandy Held who hung out with us for the day. Among the many spectators we also had the opportunity to visit with Keith Gardner, Dale Baxter and John Evans. It was a great day to enjoy beautiful cars and good friends. At the end of the event awards were given out. In the Jaguar class, Art Pasker received first place with his white Mark V drop head, and Mike Cady received second place with his 1954 XK-120.

After the car show, Jim and Hermoine Klekas invited us all up to their cabin in Park City for snacks and beverages. We all enjoyed the beautiful outdoor setting and good conversation. Many thanks again to Jim and Hermoine. Later that evening several members gathered together at the Grub Steak Restaurant in Park City for a great dinner and more socializing. What a great way to finish off such a wonderful day.

Those in attendance at the dinner were John and Liz Green, J. and Kay Jennings, Mike and Susie Cady, Ken and Joann Borg, Duane and Leeann Allred and grand daughter Sara, Jim and Hermoine Klekas, Art and Martha Pasker, Dan and Judy Schweikert.

Art Pasker also received the "Best of Show" award. Congrats to Art and Mike. This was a great car show and we want to thank Jim Revel and the Austin Healey Club and all others involved for putting together another successful event.

Greek Party at Klekas' Park City Cabin 2pm Saturday, August 21

Jim and Hermione Klekas are hosting an annual Greek BBQ to benefit AHEPA, the American Hellenic Educational Progressive Association, on Sunday August 21st at 2 PM at their cabin in Park City.

Jim is the President of the local chapter of AHEPA, which is a civic and philanthropic organization promoting Greek culture, history and community well being.

The cost of the event is \$20 a person. The menu is Lamb and Goat barbequed on a spit, Hamburgers,

Hot Dogs, Corn on the Cob, Greek Pilafi, Greek Salad, Watermelon etc. We will be eating on their deck which is over White Pine Creek.

Their cabin is in "The Colony" a gated community near the Canyons Resort. Going toward Park City on the main road go past the Canyons traffic light, turn right ½ mile later on the next road between the red barn and the Catholic Church, which is White Pine Canyon Road.

Coming from Park City go past

the white barn and turn left between the Catholic Church and the red barn.

Follow White Pine Canyon Road 1.3 miles until you arrive at "The Colony" gate. Tell the person at the gate you are there to visit the Klekas'. They are the first driveway on the left which is Homestead 1.

Everyone is welcome and it should be a great time. If you have any questions you can contact Jim at 801-971-6060 or jklekas@aol.com.

British Field Day Needs You!

On Friday evening August 12 at 7:00 PM we need BMCU, Bike Club, BAHC (Austin Healey), WMJR (Jaguar) and SLCN (Salt Lake Community Network) volunteers with hammers, staplers, and stiff floor brooms to help set up the venue at Liberty Park (northeast quadrant).

On Saturday morning August 13 some volunteers with set-up equipment would be appreciated at 7:00 AM to clean up any damage to the venue that occurred during the night.

On Saturday morning August 13 at 8:00 AM many more volunteers are needed to help with registration and placing the cars and bikes on the field. Most cars should be in place on the field by 9:00 AM.

The Chow Truck should be on site by 10:00 AM.

Volunteers to help with BFD teardown would also be greatly appreciated beginning around 2:30 PM and usually ending by 3:30 PM.

JCNA Annual General Meeting and Western States Gathering

Mark Stephenson, Activities Coordinator

Jaguar Club of Central Arizona

March 6 -14, 2012

As most of you are aware, at the past AGM, the Jaguar Club of Central Arizona agreed to host next year's AGM. We billed it as a "Vacation in Paradise," an over-the-top Eynonism comparing our weather to that of the Northeast and Upper Midwest that time of year. If I was in charge of catch phrases, I would have just left it as, "a really nice place to visit that time of year" which isn't very catchy and a little long.

What some of you may not be aware of is that we have also consented to fill the Western States void. So now, the AGM isn't just a "Vacation in Paradise" with a meeting or two, it's now a Vacation in Paradise with a meeting or two, a concours, a rally, a slalom, a golf tournament and whatever else we feel like adding.

We have procured hotel rates of \$109/night at the historic San Marcos Golf Resort on the square in downtown Chandler, Arizona from Tuesday night, March 6 through Thursday morning, March 15.

I'll present the schedule of events in a second, but before I do, I know some of you are avid drivers and others of you know avid drivers. I'm trying to put together a mailing list of JCNA drivers who are willing to represent their clubs or their regions in the far-flung corners of the continent, and organize caravans from all points of the compass to Phoenix.

I realize the weather can be crappy in the Northern Tier that time of year, but given Phoenix's location, I figured there could

be an I-5 contingent coming from the Pacific Northwest that meets up with the SoCal/I-10W contingent in the LA area. The headwaters of the I-10E contingent would be all the Florida clubs, then coordinate to pick up drivers from the Louisiana, Houston, and San Antonio clubs along the way and perhaps form a super caravan with the I-20 contingent. I-20 would pull from the Carolinas, Georgia, Alabama and Dallas, with tributaries feeding in from Music City and Smoky Mountain.

Reno & Salt Lake through Las Vegas, Denver through Colorado Springs, and the straight shot from San Diego are a few of the short lines. It's a lot to expect a huge group from NE and NC. The weather can be highly variable as much at our end as yours. I-40 in Arizona can be a gorgeous drive that time of year, or we can have the Interstate closed due to snow. But maybe you folks will surprise us. Someone from New England could win the farthest driven award and start a trickle of Jaguars that becomes a flood, drawing from 15 clubs within a few miles of the direct route. Anyone game?

I crunched the numbers and created some realistic estimates from clubs and regions. Honestly, I see no reason why we shouldn't be able to get 140 Jaguars on the square in downtown Chandler. To do that, however, I need the names and e-mails of the true drivers in your region, hopefully at least one from each club.

Most clubs will have delegates attend-

ing the AGM anyway, why not avoid intrusive searches at the airports, delayed flights, lost luggage and all the other horrors of modern air travel, and enjoy the pleasure of leisurely, relaxing (or, not) Jaguar travel. Show up and show, slalom, or rally your car and get a head start on the 2012 competition season.

All right, as promised, the schedule of AGM and sanctioned Western States events. The major and sanctioned events are pretty close to set in stone, either we have venues scheduled or they will be scheduled very soon. We'll have more information on extracurricular activities in the coming weeks.

We're working on a track day or perhaps shifter karts at Bondurant. We're considering an overnight drive to the Grand Canyon and/or a day trip to the the Pima Air Museum and Titan Missile Museum in Tucson (rental cars available at the hotel if you don't drive out).

There are some incredible car collections in the area. We're researching who might open their garage doors to us. Following the Western States' farewell breakfast, we'll determine from what direction most drivers came, and we hope to create a more interesting drive with local club members and a lunch stop to get you on your way.

Research some of the fun, interesting, and educational things to do in Arizona and let us know what you'd enjoy.
