BBQ At Borgs' Cabin Saturday August 16

Once again the club gathered at the Borg family cabin in Midway for a cool, scenic and tasty BBQ overlooking the Soldier Summit valley.

Hamburgers, hot dogs and (yum!) bratwurst were provided by the WMJR Treasury and expertly cooked by Duane Allred and Joey Rogers.

Members brought varied and delicious side dishes, salad, and dessert, as well as libations of a distinctly non-Utah variety.

Most folks found their own

way to the cabin, but a convoy drove up from the Walmart at the mouth of Parley's Canyon.

End Of Summer Luau At The Cadys' 4pm Saturday September 13

Well, you've suffered through heat and rain this summer while keeping up with your chores and family obligations.

Now it's time to kick back, dress like an Islander, and shake some grass covered booty.

It's Luau time at the Cady backyard beach at 4pm on Saturday, September 13. Break out

your Hawaiian shirt!

The date is carefully selected on a Utah Football bye week (they'll still preparing to whoop Michigan in the Big House the following Saturday).

Grilled meats and sodas will be provided by the club, but please bring a side dish or dessert to share, plus whatever else you'd like to drink.

The Cadys' home is at 4155 S. 2175 W. in Roy, home phone 801-731-1599.

There'll Always Be An England Department From *The London Times*: A Well-Planned Retirement

Outside England's Bristol Zoo there is a parking lot for 150 cars and 8 buses. For 25 years its parking fees were managed by a very pleasant attendant. The fees were 1.40 pounds for cars and 7 pounds for buses.

Then, one day, after 25 solid years of never missing a day off work, he just didn't show up; so the Zoo Management called the City Council and asked it to send them another parking agent.

The Council did some research and replied that the parking lot was the Zoo's own responsibility. The Zoo advised the Council that the attendant was a

City employee.

The City Council responded that the lot attendant had never been on the City payroll.

Meanwhile, sitting in his villa somewhere on the coast of Spain or France or Italy ... is a man who'd apparently had a ticket machine installed completely on his own, and then

had simply begun to show up every day to collect and keep the parking fees, estimated at about 560 pounds per day — for 25 years.

Assuming 7 days a week, this amounts to just over 7 million pounds ... and no one even knows his name.

JCNA Creates Jaguar Foundation

Jaguar Foundation

Tom Krefetz, a member of the Board of Directors for the Jaguar Foundation, is pleased to announce his support for the recently established Jaguar Foundation. The Foundation has been created by passionate Jaguar people who donate their time, resources, and services with the goal of better serving the Jaguar Heritage and preserving the marque for future generations. We aim to leave a legacy for our children's children so that they will be able to appreciate and continue on with the work that we started.

The foundation is anticipating opening two museums, one for each coast, where Jaguar cars, books, memorabilia, and related material will be housed and viewed by the public. We are requesting that JCNA members donate any classic Jaguar related items they can to help form these new museums.

The Jaguar Foundation will give back to the Jaguar community in many ways:

Provide annual scholarships for students interested in Jaguar Automotive Restoration to help cover the cost of tuition and training.

Be a resource for historical information related to the heritage and restoration of Jaguar cars.

Providing a forum for the exchange of information and ideas for Jaguar enthusiasts.

A specialty tool loan program, with specialty tools available on loan.

Promote the hobby and encourage people of all ages to become involved with Jaguars.

All donations are tax deductible, as the foundation is set up as a 501c3 non-profit, and we encourage all Jaguar enthusiasts to donate what they can to get the wonderful Jaguar Foundation museums filled with vintage Jaguar items. The Jaguar Foundation will accept donations such as Jaguar: cars, parts, tools, books, memorabilia, as well as financial donations. Financial donations can be made online through the Foundations website, or by check. With any Jaguar donation you will receive a receipt for your tax records.

We encourage all Jaguar enthusiasts to become a Patron of the Jaguar Foundation.

There are multiple levels to meet your needs:

\$30 for a Patron

\$250 for a Bronze Level Patron

\$500 for a Silver Level Patron

\$1,000 to \$2,500 for a Gold level Patron

\$2,500 and above for a Platinum Patron

There will also be 2 levels available for Corporate Patrons - \$3,500-\$5,000 and \$5,000 and above.
