Cat Dance Film Festival 5:30pm Saturday April 27

WMJR members,

Allison, Parker and I are pleased to host the **Catdance Film Festival** again this year at our home (2483 Daybreaker Dr., Park City, UT 84098) on **Saturday, April 27th at 5:30 pm**. As in previous years, a pot luck dinner will be served and I plan to make Memphis style BBQ pork ribs as our contribution.

We have selected two films for this year's Festival. The first is a 47 minute documentary titled "***Inside Jaguar,***" which details the meticulous process of building the 6 new lightweight E-types. The second film, which celebrates its 50th anniversary this year, is the original "***The Italian Job,***" which stars a young Michael Caine and many British cars, including multiple E-types.

Please RSVP by email to me at bhanover1@msn.com as soon as possible and let us know what kind of dish you plan to bring (entrée, side, salad, or dessert). It will be a fun evening with great friends, food, and films. We hope you'll join us!

From Your Publisher

As warned in the March issue, your loyal newsletter Publisher has been cavorting around the world (literally) until a few days ago, hence the tardiness of this issue.

Although the trip was blissfully free of car distractions, there was one new model that caught my eye in Paris—the DS Luxury Sedan. DS is the luxury marque of Citroen, akin to Lexus for Toyota, Acura for Honda, Genesis for Hyundai, etc.

The name is an homage to the famous DS19's of the 60's with their quirky pneumatic suspensions.

To your Publisher's eye the car has quite fetching looks, but don't expect it to be on sale in the US anytime soon.
