March 1, 1989

Happy Spring to Utah Track Ski Racers!

The weather is feeling like winter is behind us these days. It's hard to stay psyched up for Yellowstone when Salt Lake temperatures are 60 degrees, but remember that the mountains are colder and there is lots more skiing to be done this year! The touring centers are still in great shape, and there are still a few races on the local calendar.

The FHP Wasatch Citizens Series ended with a perfect record of sunny days and excellent conditions. We want to once again thank the people who provided the funds, prizes, and refreshments this year. First, the series couldn't happen without the major support that we receive from FHP. They have been with us for two years now, and we hope to maintain that relationship. FHP is a company with a philosophy that we can whole-heartedly support - good health comes from a lifestyle that includes plenty of fresh air and exercise.

Individual races were sponsored by Solitude & REI, White Pine, Jan's, Salt Lake Parks & Kirkham's, and the Homestead. Major prizes were contributed by Rossignol, Karhu, Reflex, Blizzard, and Alpina. And finally, thanks to Schirf Brewery for the Wasatch Ale at each race.

The seasonal point totals are included in this letter. Some of the divisions came down to the wire at the final race. Anyone who participated in four races and was not at Wasatch to collect a WCS t-shirt should contact Chris Erickson at the above phone number to arrange to get one.

Attached is our annual questionnaire for you to use to give us input on how you would like to see the WCS organized in future years. The series is run by volunteers and is intended to belong to the participants. We need to hear from you in order to keep it that way. Please take time to fill out your questionnaire and return it to us. There's no need to identify yourself if you wish to make anonymous comments.

This weekend is the Park City Nordic Club Skiathlom, if you're interested in something with a different flavor. It's a combination of slalom, cross country, and jumping on the same pair of skis. The event will be held at Jeremy Ranch on Saturday, March 4, at 11:00. Ken McCarthy promises that the course will be easy enough to be suitable for all, and that skating skis are the right equipment. Timex has supplied watches for prizes.

The final races of the year will be the week after Yellowstone. Solitude is holding their annual Spring Fling on Saturday, March 18. This will be a classical technique race, so you may get to use some of that leftover klister after all. The last White Pine Relay is on Sunday, March 19.

One more item that must be addressed is the comment in our last letter regarding the situation at North Fork Park in the Ogden Valley. We said that the opposition to the touring center came from the Sierra Club. It turns out that some local ski tourers were the main objectors; the Sierra Club just provided support. One of the local folks called to ask that we not put all the blame on the club. Our apology for the inaccuracy.
